

Tory Brennan returns in the third installment of the thrilling Virals series.

The Virals are put to the ultimate test when they find a geocache containing an ornate puzzle box. Shelton decodes the cipher inside, only to find more tantalizing clues left by 'The Gamemaster.' A second, greater geocache is within reach—if the Virals are up to the challenge. But the hunt takes a dark turn when Tory locates the other box—a fake bomb, along with a sinister proposal from The Gamemaster.
