

# Save Time with Processing *from Midwest Tape*

**Your patrons will thank you.**

**“Processing allows us to get product out on the shelf in a day and that’s important to meet the patron’s demands and expectations.”**

— Sherry Brockett, Technical Services Manager,  
Rio Rancho Public Library

**Receive your DVDs processed and shelf-ready before street date, saving your library time, increasing circulations, and most importantly, allowing you to do more of what you do best—serving your patrons.**
