Midwest Tape Processing

Here's a sampling of the solutions we offer to help you bring your titles in the back door and get them out the front door as quickly and efficiently as possible.

SERVICES

- **SHRINKWRAP REMOVAL**
Get your titles on the shelf faster.
- **OVERLAYS AND TATTLE TAPES**
These set off sensors if patrons try to remove titles from the library without checking them out first.
- **CASE TRANSFER**
We'll transfer your discs into sturdy cases better suited for circulation. We also offer locking cases to protect your media from theft.
- **DIGITAL PROCESSING**
Labels and barcodes are seamlessly integrated into high-quality digital cover art.
- **BLU-RAY COMBO PACKS**
We will split apart your combo packs and process the Blu-ray and DVD individually based on your processing profile.
- **HUB LABELS**
Stickers displaying the library's name are placed directly on each disc; another theft-deterrent.
- **RFID LABELS**
Allow patrons to check materials in and out themselves.

BENEFITS

- **YOU'LL SAVE TIME.**
We take care of the tiresome tasks of unwrapping and labeling all your media. And let us set it up so your patrons can check materials in and out themselves.
- **YOU'LL SAVE MONEY.**
Transferring discs into sturdier cases protects them from damage, and we offer a number of ways to prevent theft.
- **MATERIALS WILL LOOK BETTER.**
Our case transfers and VIP option provide your materials with a standard look, giving your library a more professional and appealing atmosphere.
- **CIRCULATIONS WILL INCREASE.**
Processing gives you the newest, hottest titles. Adding processing to your materials won't affect the time it takes to receive your order.
