**Emily and Einstein**  
**Linda Francis Lee**  
Fiction

Emily and her husband, Sandy Portman, seemed to live a gracious if busy life in an old-world, Upper West Side apartment in the famous Dakota building. But one night on the way to meet Emily, Sandy dies in a tragic accident. The funeral isn't even over before Emily learns she is on the verge of being evicted from their apartment. But worse than the possibility of losing her home, Emily is stunned when she discovers that her marriage was made up of lies.
