© Hollywood, 1958. An aspiring young actor, arrogant, barely literate and devoid of any talent, Marty (John Cusack) and his young, ambitious, deeply religious Methodist chauffeur, Frank (Haley Joel Osment), both in search of the elusive economics of the wildly unpredictable Hollywood they work for, Howard Hughes (Warren Beatty). Their attraction to each other not only puts their religious convictions to the test, but also defies Hughes' #1 rule: no employee is allowed to have any relationship whatsoever with a contract artist. Hughes' behavior forces them both deeper into his bizarre world, and their lives are changed. Written and directed by Beatty (with a story by Beatty and Bob Goldman), *Rules Don't Apply* also stars Anne Revere, Matthew Broderick, Alex Gallucci, Candice Bergen, Ed Harris, Oliver Platt and Martin Sheen.
